Welcome to GCSE Evening – Thursday 6th October 2022

Dear Parent/Carer,

We would like to welcome you and our new Year 10 students back to the new academic year. This year is a significant one for your child as they start their GCSE courses.

I would like to take this opportunity to invite you to attend the Year 10 Welcome to GCSE Evening on Thursday 6th October. The event starts at 3.30pm and will finish at 5.30pm.

There will be a talk that starts at **4.30pm** and following this, there will be an opportunity for you to meet subject teachers from a range of departments and find out more about your child's subjects and how you can support their progress.

This is an important event which aims to make sure you are well informed about the expectations of your child's GCSE courses. During the evening, you will be given an overview of our GCSE and BTEC subjects, the grading system, the support they can receive in school and how you can support them at home.

We hope that you are able to take the time to join us at this event as we feel it really is important to make sure our students are as fully supported as possible both at school and home.

Please use this link to confirm your attendance: <https://forms.office.com/r/STdpewSpep>.

We are really looking forward to seeing you there as part of our joint effort to secure our pupils' future success.

Kind regards,

Nalene Pates
Associate Assistant Principal
