

8th January 2021

Year 11 Parents evening

Dear Parent/Carer,

Due to the current circumstances regarding the national lockdown and closure of schools we are going to reschedule year 11 parents evening to Thursday 4th February 2021 between 3.30pm - 6pm. This will allow us time for the set-up of our new online parents evening platform, School Cloud.

All appointments with your child's subject teachers will be booked and attended via the school cloud app or website. Please find below details about how to sign up for your school cloud account. More information will be added to our website regarding school cloud as this will be the platform we use for all parents' evenings in the future.

If you have any further questions please do not hesitate to contact me.

Yours faithfully,

Mrs J Wheeler
Associate Assistant Principal (KS4)
